The Next Generation Science Standards (NGSS) are K-12 science content standards. Standards set the expectations for what students should know and be able to do. The NGSS were developed by states to improve science education for all students. A goal for developing the NGSS was to create a set of research-based, up-to-date K-12 science standards.

Next Generation Science Standards

Basic education in Washington state is defined by the Legislature (RCW 28A.150.210). As required by state law, OSPI develops the state's learning standards (RCW 28A.655.070) and oversees the assessment of the learning standards for state and federal accountability purposes. Learning standards define what all students need to know and be able to do at each grade level.
