Confessions of an Angry Girl is also one of the rare books where I liked the secondary characters just as much. Confessions of an Angry Girl is a book that I highly recommend to those of you who will be entering HS soon as Freshman, & tho those of you who are even past their Senior year (like me). There is a whole slew of issues hit in this book along with virginity, teen vendettas, birth control, first kisses, and death.

Confessions of an Angry Girl would be the PERFECT book title for my life! I'm known to my family and close friends as having a bit of a, um, temper. They make fun of me for it all the time (seriously not a wise thing to do) and call me an angry midget (because I'm 4'10 ½", yes that ½" makes a big difference to me).

Confessions of an Angry Girl (Confessions, #1) It's about Rose Zarreli, a freshman, starting high school with the death of her father hanging over her. Teachers treat her differently, because they feel bad for her, her best friend is changing and only has one thing on her mind...sex. Is Rose ready to deal with that? She's not so sure.

Rose Zarelli, self-proclaimed word geek and angry girl, has some confessions to make... 1. I'm livid all the time. Why? My dad died. My mom barely talks. My brother abandoned us. I think I'm allowed to be irate, don't you? 2. I make people furious regularly. Want an example? I kissed Jamie Forta, a badass guy who might be dating a cheerleader.
