\*\*\* Whether Pernese dragons are truly boron based is up for debate. I'm currently looking into the canon of this, but for our purposes, dragons will have boron in their bones, but will not be chemically boron based, or they may not be edible to thread, nor might Pernese life be edible to Terran organisms.

One of the reasons why some Pern fans don't particularly like The Dragonlover's Guide to Pern (or DLG) is due to the many disagreements between it and the Pern novels by Anne. Because of those disagreements, they don't accept any of what the book has to say as true about Pern--instead it's more like one fan's opinion of Pern.
