Flight Volume Two

Flight, Volume Two is a fantastic piece of artwork that both reflects and inspires creativity; the pictures and stories are beautiful and the mix of styles makes the entire volume a thrilling treasure chest of discovery. I find this second piece in the flight series even greater than the original. My only complaint is that when I received the book, it seemed to have experienced some rough handling; the cover was bent slightly and the pages had some creases.

Flight Volume 2 is heavier and prettier than Volume 1, and features some ringers in the form of Jeff Smith, Doug TenNapel and Don Hertzfeldt, but on the whole it feels less substantial than the first volume, which was almost a manifesto by it's very existence.

Flight, Vol. 2 (Flight, #2) by Kazu Kibuishi

Summary and Review: The Flight anthologies are collections of short comics by young artists, most about 10-20 pages long, and each telling a brief snippet of story (mostly fantasy, but with a wide variety of themes and tones.) Volume 2 was an interesting mix of some really dark stories and some really sweet stories, and a few that seemed sweet but actually had something a little

darker lurking underneath.

Flight, Volume 2 by Kazu Kibuishi, Paperback | Barnes & Noble®

About Flight Volume Two. The graphic novel anthology that solidified the stature of the FLIGHT series as one of the most thoughtful, beautifully rendered works in the field. "Last year, the first volume of Flight introduced a squadron of talented young cartoonists whose anime/animation influence struck a fresh note among jaded comics readers. This edition shows substantial growth while introducing some veterans, such as Jeff Smith (Bone) and Doug TenNapel (Creature Tech)...The sheer force of ...

first Flight anthology was one of those universally-beloved comics, and the second volume is maybe a little bit better." -- The Fourth Rail for Flight, Volume Two "The quality is simply outstanding. It's probably safe to say that among its 432 pages, Flight has something to offer just about everyone."

John Byrne was at the top of his game in the 80s and Alpha Flight is no exception to that. Classic Byrne art and storytelling that is concise and unique. Vol. 2 finds the team struggling with leadership issues just as the storyline struggles to find cohesion.
