50 Small Business Ideas for Musicians - Small Business Trends

Music is an art form. A business has formed around music, but music can (and does) happen whether or not anyone ever makes money at it. However, if you are a musician in our culture, and you desire to do music as a full-time career, you need to learn to approach music as a business—to see yourself and your music through a particular lens so that you can succeed in the business community that surrounds music.
