Jayne, a teaching assistant from Newcastle explains: "When I was working supporting an individual child 1 to1 all day it actually made me ill.

Stresses & strains of being a teaching assistant ...

A teaching assistant's salary will vary depending on the school he or she works in. However, on average TA's across the nation earn from \$19,033 (Payscale.com) to \$23,640 (BLS.gov) a year. Teacher's aides in private schools can earn considerably less than the national averages, though working conditions in the classroom may be more pleasant.

Teaching Assistant | Requirements | Salary

The teaching assistants that I meet are enthusiastic, keen to improve their practice, and valued by the teachers and senior leaders that they work with. However, research on the national picture shows that they are consistently underutilised, inconsistently managed, and not always well trained and supported.

Developing the role of the teaching assistant ...

Many schools employ teaching assistants with particular specialisms, including literacy, numeracy, special educational needs (SEN), music and creative arts. If you are bilingual, you might do more work with children whose first language is not English.

Teaching assistant - Skills for Schools

As a TA, you get a daily look at how teachers work. This means that you're uniquely positioned to learn more about the path you're about to embark on. The role of a teacher differs from that of a TA, and it's worth taking this opportunity to speak to the teachers in your school, or any friends or relatives you have who are teachers, about how.

From teaching assistant to qualified teacher

To be able to teach effectively, teachers must use approaches and theories such as Gardner's Multiple Intelligence Theory, Piaget's Theory/ Model of Cognitive Development, Grinder's VAK model and Gregorc's approach to learning styles, in order to discover what style of teaching would be most suitable and beneficial to their pupils.
